## 1 – Basic Subscription Fees

### A) Subscription Fee:

Subscription Fee	Euro per month	Euro per month	Euro per month	Euro per month	Euro per month
	Level 1 and 2 – A2	Level 2 – A3	Level 2 – A4	Level 2 – A5	GTP e GTP Lite MiFID II Post Trade
EuroTLX market data – real-time	600,00	850,00	1000,00	1250,00	420,00

The real-time Subscription Fee includes access to all Information Protocols: Group Ticker Plant (GTP) and GTP Lite.

### B) Contracting Party Connection Fee

The standard Connection Fee for real-time market data is included in the Subscription Fee.

The Connection Fee includes the following: 1 “Site” connected to Information Protocol GTP and 1 “Site” for the development and testing and/or disaster recovery or business continuity activity only in case of natural disasters and for back-up need and/or 2 “Market Information Users”, connected to GTP Lite Information Protocol.

Each additional request for one “Site” or one “Market Information User” will be charged as follows:

Connection Fee	Euro per month
	Level 1 and 2

Site	375,00
Market Information Users - real-time	125,00

A "Site" is defined as a site receiving multicast market data feed with a direct connection to the market, through which the Market Member / Contracting Party receives the market data feed via GTP protocol.

A "Market Information User" is defined as a single GTP Lite connection to the EuroTLX market environment for the purposes of receiving real-time information.

C) The Basic Subscription Fee is charged to each Market Member / Contracting Party that subscribes directly market data from Borsa Italiana S.p.A..
